Venn diagram

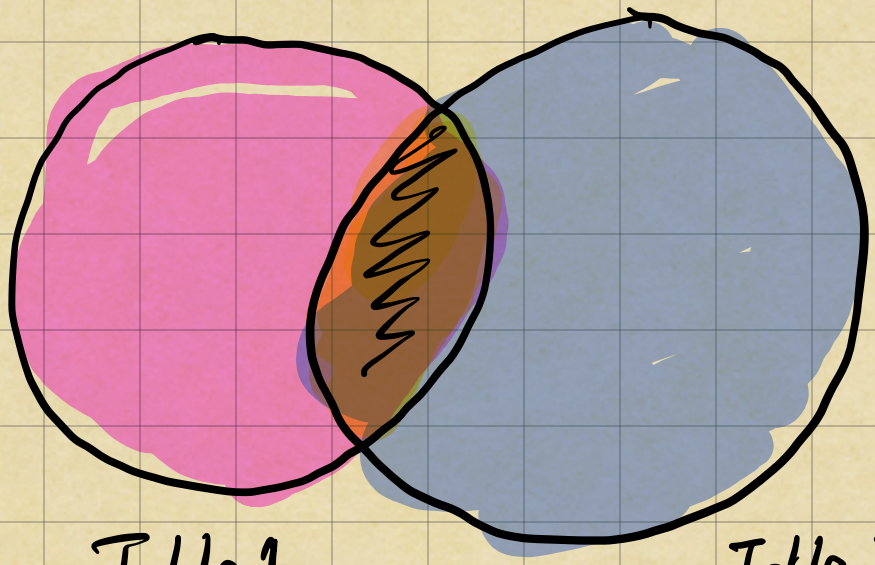

Table1
AS t1

Table2
AS t2

```
SELECT
        t1.column1
        t1.column2
        t1.column3
        ⋮
        n
        t2.column1
        t2.column2
        ⋮
        n
FROM    left table
JOIN    right table
ON      t1.foreign key = t2.primary key;
```

Inner Join = Yellow area

Left Join = Pink + Yellow area

Right Join = Blue + Yellow area

Full Join = left join − union all − right join.

= Pink + Yellow + Blue areas
